

SANDHILLS TITANS FOOTBALL

Mark Shaw, Director • Email: info@sandhillstitans.com • Phone: (919) 478-3036

We would like to invite you to be a part of something special!

The Sandhills Titans is a high school football organization which relocated to the sandhills region of North Carolina from the Raleigh area in 2014, but this is no ordinary high school football team!

First, there is no school. Our players attend a variety of high school programs and all have one thing in common — a love of football without the opportunity to play. Our team includes home school, private and alternative school students who do not have football at their school. We also have players who are ineligible at their school and need a second chance.

Second, while our program draws kids in with their love of football, it also provides them with counseling, educational services and strong mentoring to build character. This is a unique program that is doing great things for these young men, and we are already seeing the positive impact in their lives. On our website at sandhillstitans.com, you will find a link to our promotional video. We urge you to take two minutes and watch the video to learn more about our program.

As you can imagine, running a football program is rewarding, but also requires a great deal of time and money, and we need you to partner with us! Several sponsorship packages are available for the 2015 season, all of which are explained on the sponsorship opportunities flyer included with this letter. Please review these sponsorships and consider supporting the Titans.

We have an exciting schedule in store for next year, playing teams from North and South Carolina. In addition, we have joined the Coastal Athletic Conference, which will provide even more excitement for our players and families. We will have at least four home games and are also scheduled to play three private schools in Fayetteville which have football teams. An additional game in our 2015 schedule will permit the Titans to play against nearby Red Springs High School — a 2A public school team which made the NCHSAA playoffs this year.

Please consider supporting our program — we need your help! The Sandhills Titans have applied as a 501c3 and can provide you with this information for tax purposes. We will follow up soon to discuss partnering with you.

Thank you and Go Titans!

Mark Shaw
Director, Sandhills Titans
