

SPONSORSHIP OPPORTUNITIES

The Sandhills Titans is the only Independent High School football program in Central North Carolina, playing a highly competitive schedule against some of the best private and public school teams in North Carolina, South Carolina, Georgia and Virginia.

The Titans offer the experience of high school football to boys who may not otherwise have the opportunity to play. However, high school football costs tens of thousands of dollars for facilities, equipment, travel, insurance, uniforms and more. In addition, some kids are unable to play due to the player fee. We need partners to help make the Titans possible! Please help these disadvantaged kids and our entire organization by becoming a sponsor of the Sandhills Titans.

HALF SCHOLARSHIPS \$175

With a half scholarship, you can help a disadvantaged youth have the experience of playing football. In addition, the Titans will promote your business at our home games and on our website — sandhillstitans.com.

FULL SCHOLARSHIPS \$350

A full scholarship provides the full fee for one kid to play! Sponsor a player, and we'll promote and highlight your business as a full-scholarship sponsor!

GOLD SPONSORS \$700

Becoming a gold sponsor will provide the full fee for two kids to play! Beyond game and website promotion, we will put your business logo in the Titans' professional promotional video.

PREMIER PARTNERS \$2,000

The Titans need Premier Partners to play a strong role in the development of the Titans. Help us give our kids a first-class program, and we will ***strongly*** promote your business as a distinguished partner!

Other donations of any type are also welcome!
